**Parent info:** Welcome to a new school year! This is our lesson plan where you will find all of our classroom activities and "goings-on"! You will also receive a Monthly newsletter that includes all our contact information. Our **themes** planned come from preschool district adopted curriculum: TELL (Teaching Early Literacy and Language), Origo (Math Curriculum), and ECHOS (Science Curriculum). Your child's abilites and IEP goals are the guides for the **skill based activites** planned. Let us know if you have any questions! The best way to contact me is by putting a note in your child's backpack, messaging me on the REMIND app, or sending an email to [strickland.lisa@cusd80.com](mailto:strickland.lisa@cusd80.com)
