Lyrics- Fall Concert

There is Peace

Look in the eyes of the children
Feel the touch of their hands
There is peace, there is peace
In every step your taking
There is a chance for peace
Inside our hearts its growing
As it is changing me
If I know that its in my mind
It is easy for me to find
There is peace
In my heart
And I know
It will always be there
In my mind, in my soul
And now I see, it comes from me
Now is the time to find it
Now is the time for peace
(Ooo) Finding it in each other,
Then it will never cease
(Ooo) If I know that it's in my mind
It is easy for me to find
Where is the peace? (It is standing beside
you)
Where is the peace? (It is standing beside
you)
Where is the peace? (It is filling your
heart with joy)
Where is the peace? (It is standing beside
you)
Where is the peace? (It is standing beside
you)
Where is the peace? (It is filling your
heart with joy)
There is peace
There is peace
There is peace
There is peace

Life's a Happy Song

Everything is great
Everything is grand
I got the whole wide world in the palm of my hand
Everything is perfect
It's falling into place
I can't seem to wipe this smile off my face
Life's a happy song, when there's someone by my
side to sing along
When you're alone, life can be a little low
It makes you feel like you're 3 foot tall
When it's just you – well, times can be tough
When there's no one there to catch your fall
Everything is great
Everything is grand
I got the whole wide world in the palm of my hand
Everything is perfect
It's falling into place
I can't seem to wipe this smile off my face
Life smells like a rose
With someone to paint
And someone to pose
Life's like a piece of cake
With someone to pedal
And someone to break
Life is full of glee
With someone to saw
And someone to see
Life's a happy song, when there's someone by my
side to sing along
I've got everything that I need – right in front of me
Nothing's stopping me
Nothing that I can't be
With you right here next to me
Life's a piece of cake
With someone to give
And someone to take
Life's a piece of pie
With someone to wash
And someone to dry
Life's an easy road
With someone beside you to share the load
Life is full of highs
With someone to stir
And someone to fry
Life's a leg of lamb
With someone there to lend a hand

Life's a bunch of flowers
With someone to while away the hours
Life's a filet of fish, eh!
Yes, it is
Life's a happy song, when there's someone by
your side to sing along
I've got everything that I need – right in front of me
Nothing's stopping me
Nothing that I can't be
With you right here next to me
I've got everything that I need
...right in front of me

Shine Like Stars

I'm dreaming wide awake
This is the life I make
Don't need a holiday
To make me feel this way
Listen up
Take a chance
You can sing
You can dance
You can live like there's no tomorrow
Give it time
And you'll find
There's a rule
There's a rhyme
Move along and the rest will follow
I want you to know
Oh yeah, we shine like stars
Oh yeah, we shine like stars
Like stars
Like stars
What are we waiting for?
It seems we still want more
No one can take away
The dreams we have today
You can go
With the flow
Don't you see?
Don't you know?
There's a light
Let it burn inside you
You can shout
Let it out
Not a care
Not a doubt
This is it
Let the moment guide you
I want you to know

Rainbow Connection

Why are there so many songs about
rainbows
And what's on the other side?
Rainbows are visions, but only illusions,
And rainbows have nothing to hide.
So we've been told and some choose to
believe it
I know they're wrong, wait and see.
Someday we'll find it, the rainbow connection,
The lovers, the dreamers and me.

Who said that every wish would be heard and
answered
when wished on the morning star?
Somebody thought of that
and someone believed it,
and look what it's done so far.
What's so amazing that keeps us stargazing?
And what do we think we might see?
Someday we'll find it, the rainbow connection,
the lovers, the dreamers and me.

All of us under its spell,
we know that it's probably magic....

Have you been half asleep
and have you heard voices?
I've heard them calling my name.
Is this the sweet sound that calls the young
sailors?
The voice might be one and the same.
I've heard it too many times to ignore it.
It's something that I'm supposed to be.
Someday we'll find it, the rainbow connection,
the lovers, the dreamers and me.
