## Student Conduct, Success, and Responsibilities

### Student Handbook

Students must follow the policies and procedures established in the Student Handbook. Copies of the handbook can be found at [cusd80.com/handbooks](http://cusd80.com/handbooks). Printed copies will be provided upon request.

### Student Responsibilities

The success of the Santan choir program depends on accepting the expectations explained in the handbook. I understand and will complete my commitment to my choir class by attending rehearsals and performances.

Each class will develop clear rules for behavior to have meaningful learning every day. Rewards for following these rules, and consequences for breaking them will also be listed. For example: Best times to socialize with friends in class, or how many students for restroom breaks (in school).

### Late work

Out of courtesy to our families participating, please communicate as early as possible any concerns or conflicts with a particular date. Please email no later than 2 weeks before a concert to coordinate makeup assignments for students who arrange to do so. Not participating or communicating will result in a failing grade for the concert.

Students will have 1 school day for each absence to make up missing work, unless otherwise arranged.

\*\*\* All missing assignments are marked as "M" in Infinite Campus, resulting in a zero until turned in, which may result in a reduced grade for the completed assignment.

## Assessments and Assignments

Students will complete assessments during each unit of study to assess their understanding. Students will complete the CUSD Common Final at the end of the first and second semesters. The Common Final will count for 20% of the student's final semester grade in grades 9-12 and 10% in grades 7-8 (some exceptions may apply at the Junior High level). Common finals will be in ELA, Math, Science, Social Science, and World Language.

Final exams will be given during the CUSD Jr High/High School Early Dismissal days in December and May, as identified on the [District Calendar](#).

If students are requested to participate in a survey, the survey questions will be provided to parents/guardians seven days before student contact.

## Grading

### Grade Percentage

A	B	C	D	F
90% - 100%	80% - 89%	70% - 79%	60% - 69%	<60%

### Quarter grades

Performances are an important part of the learning process for musicians and are graded events. Weekly assessment include class participation, application of music theory, completion of vocal part checks (singing correct pitches as part of a small group), and Memorization checks. Although it is rare that homework is assigned, permission slips and assignments with due dates are considered homework.

### Semester grades

Semester grades are calculated using 45/45/10: Each quarter accounts for 45% of the semester grade and the final exam accounts for the remaining 10%.
