

Kindergarten Distance Learning Presentation

Welcome to the 2020-2021 school year!!

Conley's Kindergarten Teachers

Mrs. Boileau (boileau.lisa@cUSD80.com)

Ms. Robertson (robertson.adriana@cUSD80.com)

Mrs. Schliesmann (schliesmann.halle@cUSD80.com)

In Successful Google Classrooms...

*Students are seated in a quiet area with good lighting and few distractions, and refrain from eating during live meets.

*Students have ALL materials within arms' reach.

*Students follow the 4 Skills for Learning at all times: Eyes Watching, Ears Listening, Voice Quiet, and Body Still.

*Students understand HOW and WHEN to use their mute buttons and do not type in the chat box or share their screens.

Curriculum

We will be following the Arizona State Standards for Kindergarten.

There will be daily lessons in ELA (HMH Journeys) and Math (McGraw-Hill), both in whole group and a small group format.

We will teach the Foundations (Wilson Language) writing program.

We also use Second Step, a program for teaching students skills needed for social, emotional, and academic success.

Grading

Students are evaluated in many ways:

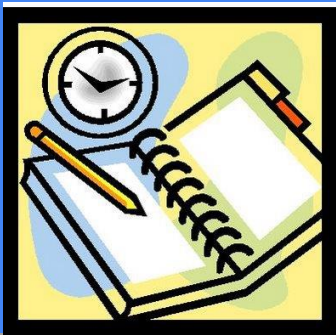

*Comprehension~Does the student understand the concept(s)?

*Work products~Did the child complete their work? Of what quality?

*Participation~Does the child raise his/her hand? Share out ideas?
Answer questions?

*Attention~Is the student “present” during lessons? Focused?

Schedules

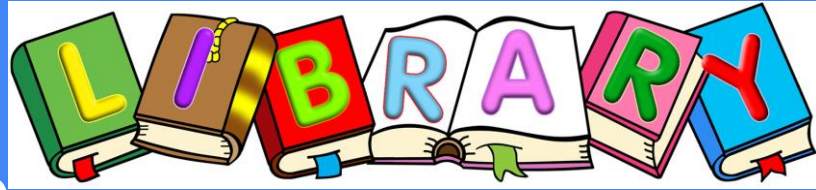

Your teacher will make every attempt to provide a clear and consistent daily schedule to help your child get into a familiar routine.

Please do your best to be sure your child is **ON TIME** to their live meets (not early, not late).

Your child can expect to have 3 whole group meets per day, as well as 2 small group meets.

6 Day Rotation Schedule

Each class follows a 6-day rotation schedule for their special classes, including music, library, technology, and P.E.

Due to differing times of the special classes, your small group afternoon schedule may slightly change from day to day.

Please ask your teacher if you need another copy of the 6-Day rotation calendar.

Thank you!!!

We truly appreciate you for sending your child to Conley. Distance learning is not easy, but working together as a team, we can make it a successful start to your child's Kindergarten year! Please do not hesitate to reach out to your child's teacher with any questions.
