

Hello, Second Grade Families! My name is Tiffani Norton, and I will be your child's second grade teacher! I am looking forward to working together this coming school year.

A little bit about me: I grew up in Northern California and moved to San Diego after high school where I earned my bachelor's and teaching credential at SDSU. I then taught both second and first grade in different parts of California. I moved to Arizona with my husband, Tony, and my twins, Joseph and Brooklyn, seven years ago. Since moving here, I have earned my master's degree through ASU and began teaching at Riggs. My family and I love being a part of this community and my twins will be in sixth grade here at Riggs this year.

Parents are always invited to be a part of the classroom; whether you are able to volunteer at school, help at home, or simply keep in contact with me about how your child is doing. Throughout the school year, I will communicate by e-mails, Remind texts, phone calls, our classroom Instagram page and conferences. Collaboration between home and school is how a child can truly thrive!

Second Grade "Meet the Teacher" and "Curriculum Night" will be on Tuesday, July 16th from 4:30pm-5:10pm. The first 20 minutes will be the "Meet the Teacher" portion of the evening. We will get to say "hello," and your student can locate their desk. At 4:50, I will begin the "Curriculum Night" presentation. Students will sit on the rug while I explain curriculum and expectations to parents/students. **Please plan to attend the entire presentation 😊.** If you have any questions beforehand, you can e-mail me at norton.tiffani@cusd80.com .

SUGGESTED SUPPLY LIST

Mrs. Norton's 2nd Grade

This is not a mandatory supply list.
