

CTA Liberty PTO Meeting
CTA Liberty Library
Wednesday, September 13, 2023

Agenda:

Step it Up Presentation: Presentation from Step it Up representatives Jason and Alex. Instead of a fun run, they do a day of awesomeness with large inflatables. There is a kick off assembly typically split up with one for younger kids and one for older kids. There are awards for participation, no classroom disruption and fundraising occurs for 2 weeks. Have insurance policy through CUSD. 80% of funds raised go to school and 20% goes to Step it Up. Decision was to stay with Apex Fun Run for this year (currently under contract) and revisit Step it Up as a possible fundraiser in following years.

Principle Remarks: Mr. Smith thanked the volunteers. Recent and upcoming events: 9/11 remembrance, grandparent visits, choir performance at D-Backs games, science camp, National Honor Society inductees and shade structures installed. Kids Heart Challenge will be February 12 - 19.

School Store Fundraiser: Teachers did not like and requested not to do this one again

Spirit Wear: there were 25 orders

Teacher Reimbursements: General M&O budget, request for replacement equipment in addition to incremental needs.

Fundraising: Present any fundraising ideas on school wide fundraisers

Teacher/Admin requests - radios for all teachers, new safety vests, copier for the annex, shade trees, ice machine, stop sign.

Request for new PE equipment - approved, Mr. P just needs to submit the requests

Request for increase in teacher budget and conversation that consumable will be treated differently than reusable equipment.
