Agenda Topics

Principle Remarks:

Construction should be partially complete by second semester and will have to wait for glass to finish (the glass is backordered). They are requesting new security guards and the current team is not effective. There are several extra-curricular activities taking place, STUCO, Running Club, Cheer and Safety Club. CTA Liberty is the 8th largest in the District and continues to grow. Mr. Smith scheduled a social media safety night. Mr. Smith is putting together a list for the NP5000 which includes the request for the ramada and a retractable stage in the MPR. The ramada would be an independent structure and we will need to wait on additional information from him on this request.

Free Dress Q3 and Q4: Will coordinate end of year for following year. Check with Mel about fundraising options for Q3.

Spring Carnival:

Secured a DJ, the lights and will schedule follow up meetings.

CF Scholarship: Raised \$1000 as minimum, we will review and may possible increase to two scholarships for next year.

Fun Run Funds: Cynthia will email Mr. Smith the final about but approximately \$80,000.

Sponsor Guatemalan School:

Possible opportunity to be a capstone project for 6th grade. Theresa will do a presentation for the teachers on this sponsorship. The sponsorship is the BECA (Bridging education costs for all). There are different ways to sponsor the school, can send school supplies, backpacks, uniforms, books. Can also provide donations. The Guatemalan school year is January through November, and the donations are transported by people through their luggage. We could promote through a drive at school, a video and event create a pen pal partnership.

Teacher Hospitality:
