Principals Update:

Fundraising Request for 2024/2025 school year. Quotes provided (print out) -Game plan for next year

Participating in program called one book one school initiative - 3 week program where all the kids in the school read the same book, encouraged for families to read the book with the students as well. Begin after the week after conferences in fall of 2024 - last night would be a family night and then organize with movie theater to create a school night at the movies.

This will be the school's theme next year as well - The Adventure Begins at CTA Liberty

If we order 500 books - every kid in third through 6 would get a book to keep and then each class pre-k through 2nd would have a classroom book to read. Parents can purchase the trilogy with a 20% discount.

Books need to be ordered in June - book seller will provide a 35% discount

PTO Votes to purchase books and t-shirts for the School Wide Book Reading Activity (\$3150 for books and \$800 for shirts)

Advanced Reader - Renaissance - Need to incorporate this into the PTO budget for 24/25

As a PTO- we are approving the request from Linda (items 1-10)

Request for Mr. Smith to follow up on Mr. Plamondon on PE equipment request

America Heart Association AHA: Presentation - Kids Heart Challenge - Free to School and will be held in February. Contact is Ciara McCleer

Carnival Recap: Spent a little over \$10K and brought in about \$8K so lost about \$2K.

Feedback from Carnival:

Set up was great, lighting worked out great, face painters were a big hit, expand on vendors for next year. Need more prizes for the carnival games - need like 50lbs of candy and fidget toys. Clean up went well. Teen volunteers from Hamilton High School. Food Trucks - enough and right assortment. Should have security person here. Helpful to have a volunteer coordinator - 1 wrist band for volunteer hour for next year.
