Transportation Request

Student safety is our No. 1 priority!

- All eligible General Education students needing bus transportation for the upcoming school year **MUST** register for a bus assignment.
- Eligible denotes any registered CUSD student that resides within CUSD boundaries, is attending a school that is IN boundary based on their legal home address and resides more than 1 mile (Elementary & Junior High) or 1.5 mile (High School) from their homeschool. The mileage is measured by "how the crow flies".
- Legal address(es) should be updated with your school's registrar prior to registration.
- Students residing outside of the district boundaries are not eligible for busing.
- Rider status will be evaluated each quarter. Any student assigned a bus, but not riding during the quarter will be unassigned, making room for other eligible students.
- Bus assignments are posted in the student's Infinite Campus Portal. Infinite Campus> More> Transportation.
- Students shall arrive to their designated bus stops 10 min prior to departure time.
- Transport to and from outside programs does not apply. Please contact your school for more information.
