5. Leggings can be worn under shorts or skirts, but not as pants.

6. Friday spirit wear can include a school shirt or a Patriotic shirt.

Patriotic shirts must be a solid color background (red, white, or navy blue) and have a Patriotic design. These shirts do not need a collar.

7. Red, white, or navy blue long sleeved shirts can be worn underneath collared shirts.

During the colder months, students can wear a red, white, or navy blue long sleeved shirt underneath a collared shirt. Collar shirt and undershirt don't have to be the same color. Both shirts should be tucked in.

8. Sweaters and jackets to be worn inside the classroom must be red, white, or navy blue.

Sweaters and jackets can have a small logo, but must be predominately red, white, or navy blue to be worn inside the classroom. Outerwear of any color can be worn outside.
