

Works Cited

- Double-space between all lines on the Works Cited page.
- Use only one space after a period.
- Abbreviate months.
- Do not include titles such as Mr., Mrs. or Dr. on a Works Cited page.
- If the person on the title page is the editor or compiler, rather than the author, add a comma then the abbreviation *ed.* or *comp.*
- The first line should be up against the left margin, but every line after that should be indented 5 spaces.
- The Works Cited page should be in ABC order by authors.
