Student Conduct, Success, and Responsibilities

Student Handbook

Students must follow the policies and procedures established in the Student Handbook. Copies of the handbook can be found at cusd80.com/handbooks. Printed copies will be provided upon request.

Student Responsibilities

Mondays, Tuesdays, and Fridays (traditional days) will be used to engage students in a variety of activities combining a variety of teaching models (Lifetime Fitness, Sport Education, Team Sports). Each unit is between two and three weeks. Block days are reserved for weight room activities, notes, discussions, and continued sport activities. Students will be required to keep notes in class for these days and will be graded on their content via periodic assessments.

Late work

Students will have the opportunity to make up an absence by writing a one-page, double spaced, Times New Roman, 12-point font summary of an article relating to physical activity, fitness, sports, or health (an example can be found on my website). The article summary must be submitted no later than one week after the absence.

Assessments and Assignments

Students will complete assessments during each unit of study to assess their understanding. Students will complete the CUSD Common Final at the end of the first and second semesters. The Common Final will count for 20% of the student's final semester grade in grades 9-12 and 10% in grades 7-8 (some exceptions may apply at the Junior High level). Common finals will be in ELA, Math, Science, Social Science, and World Language.

Final exams will be given during the CUSD Jr High/High School Early Dismissal days in December and May, as identified on the [District Calendar](#).

If students are requested to participate in a survey, the survey questions will be provided to parents/guardians seven days before student contact.

Grading

Grade Percentage

A	B	C	D	F
90% - 100%	80% - 89%	70% - 79%	60% - 69%	<60%

Quarter grades

Students may earn up to 15 points per class (5 for participation, 5 for proper attire, 5 for behavior). Students will also earn points for periodic assessments. The teacher will remove points if the student is tardy, has poor or no participation, poor behavior, foul language, not dressing out, and unexcused absences.

Semester grades

Semester grades are calculated using 40/40/20: Each quarter accounts for 40% of the semester grade and the final exam accounts for the remaining 20%.
