

Volunteer Opportunities

Earn Conley Cash for each of your children by volunteering!

Fall/Spring Pictures

Twice a year school pictures are taken of our Conley kids. Volunteers are needed to help move the classes through the photography area and make sure that things run smoothly on picture day.

Cookie Dough Fundraiser

Children are given a catalog of items to sell to their friends, families, and neighbors. Money will be used to support programs and events that the PTO sponsors. Volunteers are needed to collect and process order forms and help fill orders on delivery day.

Family Movie Nights

This is family event where everyone can eat dinner, drink soda, and watch a movie. The event is free and families have a chance to relax and enjoy each other. Grade levels sell drinks, candy, chips etc. to raise money for their grade. We need volunteers to sell and serve food, set-up, clean-up, and sell merchandise at the Conley Spirit Store.

Fall Festival

This is our big social event of the year. Fun and games abound throughout the Conley Campus. We have a variety of bouncers for the kids to play on. We need volunteers to sell wristbands, tickets and items at the Conley Spirit Store.

Dine In Nights

Every few months, the PTO organizes a Dine In at a local restaurant. We send out fliers and encourage Conley Families and Friends to dine at a certain restaurant on a certain night. The restaurant then donates a portion of the sales for that night to Conley. Volunteers are needed to contact local restaurants to arrange the event and get fliers sent home with students to advertise.

Secret Shop

An area is set up so that children can come during school to purchase inexpensive holiday gifts for their family and friends. This is a great opportunity for children to experience the joy of giving while also learning to manage their shopping budget. We need volunteers to help kids shop for gifts, set-up & clean-up.

Read-A-Thon

A new event this year will be our fall Read-A-Thon. Students will collect pledges for books/time read in this two week event. Volunteers will be needed to enter student information and collect pledges.

Valentines Dinner

A new event this year will be our Valentines Dinner. Families can pre-purchase tickets for a date night with food provided by a local restaurant. Everyone will be encouraged to “dress up” for the photo booth to capture the night’s memories. We need volunteers to set-up, clean-up, and help with the photo booth.

Bingo Night

This is a fun filled family event where everyone can play bingo, eat dinner, drink soda, and have a good time visiting with old and new Conley friends. The bingo games are free and prizes are awarded to kids and adults for each game. Grade levels sell drinks, candy, chips etc. to raise money for their grade. We need volunteers to collect donations for prizes, order, sell and serve food, set-up, clean-up, and sell merchandise at the Conley Spirit Store.

APEX Fun Run

APEX Fun Run is a fundraiser used to support the PTO’s programs and events. Most of the event is run by the APEX staff, but volunteers will be needed to assist the day of the run and process payments and pledges following the event.

PTO Classroom Liaison

As a liaison for your student’s class you will be asked to regularly help communicate upcoming PTO events, volunteer opportunities, etc.

Make Copies

Throughout the school year, we need help making copies. If we have an upcoming event and need copies made, you will be called to make the copies and place fliers in the teacher’s mail boxes or have copies ready for the upcoming PTO meeting.

Make Phone Calls/Send email reminders

Throughout the school year, we need help making phone calls or sending reminder email messages. You will be given the names and phone numbers (or addresses) of parents who have volunteered and are asked to make phone calls or send email messages to notify them of upcoming committee meetings etc.

Photography

We are looking for several people to volunteer to take digital pictures throughout the year at various school events and activities. The pictures then need to be organized so that they can be used in the yearbook.

Yearbook

PTO will assist the Yearbook Club with selecting photos, page layouts, tracking orders and delivery of yearbooks.
