

OUR PHILOSOPHY

Patterson's programs were founded on the principle that parents, students and staff shall work together as partners to provide an education that encourages all students to pursue academic excellence to the best of their abilities. Arizona College and Career Ready Standards, pace and specific expectations for academic achievement, behavior and dress require a firm commitment from every student, parent and teacher.

Our academic programs are designed to develop a solid foundation of fundamental and higher-level thinking skills through a structured and rigorous curriculum that is consistent within each grade level and sequential throughout the grades.

Kindergarten through sixth grade curriculum is taught using small group as well as direct instruction, and research-based teaching strategies, while making learning relevant to each student. At Patterson we strive to build relationships with our students and families that foster a love and dedication to learning.

CLASSIC PATTERSON OR CTA PATTERSON

The Choice is Yours

CLASSIC PATTERSON

Similar to other CUSD schools
