Highlights from This Week!

This week we jumped right into reading rotations. The students are doing a good job of following the expectations and working on their ELA skills.

We learned about kangaroos and started making a tree map with all the facts we learned. Next week we will be using the information to make a Flee Map before we create our writing piece.

In math, we reviewed all the skills we learned in our chapter one math book. Then we applied what we learned to take the assessment.

We also talked about the importance of picking the just right book. We learned how we take an AR test and how we can set goals for ourselves to continue to grow as readers.

Reminder

Make sure to pay your child's \$40 second grade fees via the parent portal in Infinite Campus. These fees help pay for our field trips and grade level t-shirts.

Your support is greatly appreciated! ☺

Specials

Monday: music

Tuesday: PE

Wednesday: no special due to half day

Thursday: no special due to half day

Friday: PE

Next Week
