Highlights from This Week!

This week we learned about reading rotations and what the expectations are during this time. Next week we are going to put our skills to practice.

We learned nouns are words that identify a person, place, thing, or animal. We worked together to produce a long list of examples for each kind of noun.

In writing, we learned how to make a Flee Map which helps us organize our writing. We also started writing our first rough draft and will make a final copy next week.

Next Week
