## Highlights from This Week!

In reading we read a fairytale titled If the Shoe Fits: Two Cinderella Stories. We also read many other versions of Cinderella. It was fun to compare the stories, one thing that always seemed to stay the same was the main character always lost a shoe.

In writing we wrote about 3 hopes we have and why we hope they come true. The kids did a wonderful job of choosing hopes that were not materialistic. They all hoped for things that would make themselves or others better humans.

In math, we're still working on mastering the skill of adding two-digit numbers that may or may not need regrouping. I am so proud of how hard they are all working!
