Highlights from This Week!

Our reading story this week reminded us of the importance of being kind to others. It also helped us strategize ways to respond when others are unkind to us. We took time to review what empathy is and how sometimes we need to take a moment to stand in someone else's shoes.

In math, we learned about arrays and how they can help us with repeated addition. We took our chapter 3 math test on Thursday. Next week we will start learning about solving 2-digit addition equations.

In writing, we talked about the 4 different seasons and then chose which one we think is the best and wrote an opinion paragraph about it.

In phonics, we learned about the 1:1:1 rule. This rule helps us know when we double a consonant before adding a suffix. If the word is 1 syllable and ends with 1 vowel and 1 consonant we get to double the consonant.

Next Week

Reading Text: How to Read a Story

Target Skill: story structure

Phonics Skill: one syllable words containing short or long -a, -e, -i, -o, or -u vowel sounds with the /k/ sound (k or ck). Words like yuck, flake, and pluck.

Writing: opinion

Math: 2-digit addition

Social Science: government & cultures

Specials

Monday: library

Tuesday: music

Wednesday: PE

Thursday: technology

Friday: music

2nd Grade Fees

Make sure to pay your child's \$40 second grade fees via the parent portal in Infinite Campus. These fees help pay for our field trips and grade level t-shirts.

Your support is greatly appreciated! 😊
