Highlights from This Week!

In writing we wrote friendly letters to give to the Veterans who come to our celebration next Thursday. We hope you will be able to come out and celebrate with us!

In math, we began working on double digit addition. We're trying to always remember to start adding in the ones place. The kiddos are working hard and getting better at it.

On Tuesday we did a candy corn experiment and learned a little about bats and spiders. We also enjoyed some ice cream floats. Thank you, parents, for all your donations! It was a successful and fun day.

Az Coyotes Reading Program

Congratulations to Jett!!! He is Rm #35's AZ Coyotes Top Reader for the month of October. Jett read 1,140 words during the month of October. This includes reading every day over Fall break! So far, our class has read 7,503 minutes and we hope to read 8,000 more minutes by the end of November. Keep reading friends! Every student who turned in an October reading calendar/log received their first prize on Thursday. November's calendar was sent home on Wednesday. So proud of all the students!
