Highlights from This Week!

This week in reading we read a play called The Puddle Puzzle. It was fun to see the kiddos read with expression and enjoy learning all about the elements of drama. We also learned about the water cycle as it tied into the disappearance of the puddle that went missing.

In math, we finished up our chapter 2 book and took a summative assessment about all we learned. On Thursday we started our chapter 3 book that focuses on basic facts and relationships.

In writing, we wrote a personal narrative about ourselves. The students are working hard on remembering all their capitals, punctuation marks and using commas when you make a list in sentences.

Next Week
