Highlights from This Week!

Welcome back Neighbors! I hope everyone had a great break. I'm looking forward to a fantastic 2nd half of 2nd grade!

- We spent time talking about New Year's resolutions and how setting goals for ourselves helps encourage us to do better.
- In writing, we started writing about Martin Luther King Jr. We learned why he was an important man and thought about how we ourselves would like to influence the world.
- On Friday, we celebrated being 100 days smarter! We did a few fun activities to go along with the day. I loved spending the day with all my 100-year-old friends! 😊
