

WAYS TO USE FLASHCARDS:

- * flip through the cards and have your kinder say the word
- * have your kinder practice the cards independently
- * print 2 copies of the flashcards and play a matching game
- * hide the cards around your house and play I spy
- * print 2 copies and play Go Fish
- * have your kinder put the flashcards in ABC order
- * flip through the cards and challenge your kinder who can say the word first.

Winner gets to keep the card

- *beat the clock; have your child say the words as fast as they can. When they do it again, will they beat their time?
