Team Wish List & Tips for the first few days on the back....

Wish List:

The team would greatly appreciate any of the following items that are commonly used up VERY quickly in the school year for our students:

- Boxes of tissues
- Boxes of tissues
- Candy (nut free)
- Boxes or tissues (😊)

Thank you so much!

****Drop off to any 804 teacher****

Tips for the first days of Junior High

1. Put your schedule and a map in the front clear pocket of your binder so you can use it to help you get to your classes the first week. Highlight the room number and teacher name.
2. Take a picture of your schedule and keep it as your wallpaper/lock screen on your phone.
3. Write your BUS ROUTE number (typically a three-digit number) on your schedule, store it in your phone, and memorize it! There are many busses lined up after school and teachers can only help you if you know your route number.
4. It might be a good idea to pack a lunch the first few days of school until everyone gets the routine down and knows what and how to order. You will need to know your school ID number to order your lunch. When you get your ID, take a picture of it!
5. Eat a healthy, high protein breakfast. Bring **plenty of water** that will last you all day.
6. Use the restroom between classes. Drop your backpack off in your class, let the teacher know you are going to the restroom and then hurry back to class. It is possible to do this before the late bell.
7. If you have PE, learn how to unlock a combination lock. Practice, practice, practice!
8. Get involved! Identify clubs and activities that interest you and join them early in the year. You will make new friends and enjoy your time so much more!
9. If you must bring cell phones, air pods, and/or other fun stuff that really is not needed at school, be sure to store them securely in your backpack. Do not leave your backpack unattended. Turn on Find My Phone just in case.
10. Enjoy! Be kind, smile and have fun! Some of the friends you make during these years will be forever friends! Your teachers want to help you reach your goals and become the best you possible. Help them by having a great attitude!
