

Chandler Unified School District

MAT105A Honors Algebra 1 SY 2023-24

Course Overview

Course Description

This course is the first year of a high school-level standards-based mathematics curriculum. Students will employ real-life concepts, problems, and applications by integrating algebra, probability, geometry, discrete math, mathematical structure, and logic. Number sense topics include classifying and comparing sets. Data analysis focuses on organizing data into charts and evaluating conclusions drawn from that data. Algebra topics, including linear equations, inequalities, exponents, and expressions, are taught using algebraic methods. Students will interpret 3-dimensional objects using geometric properties, methods, theorems, and additional topics of geometry relationships. Students can develop and analyze algorithms and gain an understanding of the logic of algebraic procedures using discrete mathematics and mathematical structure.

AP/IB/Dual Enrollment

No

Prerequisite/Fee(s)

Pre-Algebra

Course Materials

Spiral GRAPH paper notebook (not lined!), ruler, calculator (scientific or graphing ex: TI-84)

Adopted Resource(s)

Big Ideas, Larson & Boswell (Cengage) & AGA, Kanold, Burger, Dixon, Larson, & Leinwand (HMH)

*An asterisk will indicate a resource containing sexually explicit materials per legislative definitions. CUSD has determined that all resources listed above are of exceptional educational value.

Site and Faculty Information

School name and address:

Payne Junior High School, 7655 S Higley Rd, Queen Creek, AZ 85142

Building principal:

Lisa Palella palella.lisa@cusd80.com

Teacher:

Mrs. Amanda Griffin BS, MEd griffin.amanda@cusd80.com

Office hours: *will vary, check teacher website for availability

Course Access

This course is taught in-person at Payne Junior High School. Students will have access to the curriculum and instruction in the classroom. Google Classroom is the primary location for students to access material when absent from classes taught in person.

Help

Academic Support

- Contact the teacher to schedule an appointment during office hours
- Ed Tech support for students, parents/quardians, and community link (cusd80.com/Page/45109)

Mental Health Support

- CUSD mental health support <u>cusd80.com/Domain/10528</u> or 480-573-8808 (talk or text)
- Suicide & Crisis Lifeline: 9-8-8 hotline
- 24-hour Crisis Line Talk: 602-222-9444, Text: 741-741

Student Conduct, Success, and Responsibilities

Student Handbook

Students must follow the policies and procedures established in the Student Handbook. Copies of the handbook can be found at custoscom/handbooks. Printed copies will be provided upon request.

Student Responsibilities

- -Come to class daily and on time
- -Have a positive attitude and a willingness to learn
- -Demonstrate excellence in quality of work
- -Collaborate with peers
- -Respect self, the teacher, and classmates

Late work

Classwork assignments are to be completed in class or finished for homework and returned the next day. Late work is accepted, but will result in a deduction of points. If a student is absent, the student will have the same number of days to complete missing work as the amount of absent days. **Check Google Classroom FREQUENTLY!

Assessments and Assignments

Students will complete assessments during each unit of study to assess their understanding. Students will complete the CUSD Common Final at the end of the first and second semesters. The Common Final will count for 20% of the student's final semester grade in grades 9-12 and 10% in grades 7-8 (some exceptions may apply at the Junior High level). Common finals will be in ELA, Math, Science, Social Science, and World Language.

Final exams will be given during the CUSD Jr High/High School Early Dismissal days in December and May, as identified on the <u>District Calendar</u>.

If students are requested to participate in a survey, the survey questions will be provided to parents/quardians seven days before student contact.

Grading

Grade Percentage

A B C D F 90% - 100% 80% - 89% 70% - 79% 60% - 69% <60%

Quarter grades

- +60% Assessments (tests, quizzes, projects)
- +40% Classwork

Semester grades

Semester grades are calculated using 45/45/10: Each quarter accounts for 45% of the semester grade and the final exam accounts for the remaining 10%.

Units of study

Units for MAT105A Honors Algebra 1

Solve Linear Equations Solve Linear Inequalities Graph Linear Functions Write Linear Functions

Solve Systems of Equations
*An asterisk will indicate a unit of study containing sexually explicit materials per legislative definitions.

Building Principal: Lisa Palella, palella.lisa@cusd80.com **Teacher:** Mrs. Amanda Griffin, griffin.amanda@cusd80.com

Parent/Guardian

Acknowledgment

Parents/Guardians should indicate if they "Acknowledge" or have a "Potential Conflict" with their student's participation in the following units by checking the appropriate box for each unit of study listed. Students cannot opt out of a standards-based unit. Marking "Potential Conflict" will prompt the teacher to make contact regarding assignment alternatives.

Unit of study		Acknowledge	Potential Conflict	
Solve Linear Equations Solve Linear Inequalities Graph Linear Functions Write Linear Functions Solve Systems of Equations				
*An asterisk will indicate a unit of study containing sexually explicit materials per legislative definitions. By signing and returning this form, the parent/guardian acknowledges they have reviewed the resources and units of the study included in the syllabus.				
As the parent/guardian, I understand that I may contact the teacher if I have questions about the resources, content, or units of study.				
As the parent/guardian, I understand I can check my student's grades in Infinite Campus anytime during the school year.
