

# **Chandler Unified School District**

MAT200A Geometry SY 2023-24

# **Course Overview**

#### **Course Description**

This course is the second year of a standards-based mathematics curriculum. Students will examine rigid transformations, prove geometric theorems, similar and congruent figures, parallel and perpendicular lines with transversals, intro to trigonometry, and properties of circles. Students will analyze the attributes and properties of two and three-dimensional shapes and develop mathematical arguments about their relationships. Students will learn to use logic, reasoning, and mathematical proofs to evaluate situations and select problem-solving strategies. Students will use the standards for mathematical practice to engage with the subject matter.

#### **AP/IB/Dual Enrollment**

No

## Prerequisite/Fee(s)

None

#### **Course Materials**

- Writing Utensil (preferably a pencil)
- STUNDENTS MUST HAVE A COMPASS AND PROTRACTOR, by the first full week of class.
- A Notebook or paper (1/4" graph paper suggested)
- A Folder to hold his/her Work
- A Calculator (must have sin, cos, tan)

#### Technology:

With the 1:1 technology initiative, it is the responsibility of the student to bring their fully charged laptop to school every day. Technology is a tool no different than a pencil. Like all school supplies, students are expected to have the supplies needed to learn.

#### **Adopted Resource(s)**

Big Ideas, Larson & Boswell (Cengage), or AGA, or Kanold, Burger, Dixon, Larson, & Leinwand (HMH)

\*An asterisk will indicate a resource containing sexually explicit materials per legislative definitions. CUSD has determined that all resources listed above are of exceptional educational value.

# **Site and Faculty Information**

#### School name and address:

Camille Casteel High School, 24901 S Power Rd, Queen Creek, AZ 85142

### **Building principal:**

Jayson Phillips phillips.jayson@cusd80.com

#### Teacher:

Jacelyn O'Roark MEd oroark.jacelyn@cusd80.com

Office hours: Wednesdays and Thursdays from 2:30-3:30 pm

# **Course Access**

This course is taught in-person at Camille Casteel High School. Students will have access to the curriculum and instruction in the classroom. Google Classroom is the primary location for students to access material when absent from classes taught in person.

# Help

### **Academic Support**

- Contact the teacher to schedule an appointment during office hours
- Ed Tech support for students, parents/guardians, and community link (cusd80.com/Page/45109)

#### **Mental Health Support**

- CUSD mental health support <u>cusd80.com/Domain/10528</u> or 480-573-8808 (talk or text)
- Suicide & Crisis Lifeline: 9-8-8 hotline
- 24-hour Crisis Line Talk: 602-222-9444, Text: 741-741

# Student Conduct, Success, and Responsibilities

#### **Student Handbook**

Students must follow the policies and procedures established in the Student Handbook. Copies of the handbook can be found at <a href="mailto:custoscom/handbooks">custoscom/handbooks</a>. Printed copies will be provided upon request.

#### **Student Responsibilities**

On time, in your seat and ready to learn when the bell rings (not walking in the door when the bell rings) - Math is best learned in the classroom.

1. Respect other's rights, person and property; rudeness will not be tolerated.

Choose to be polite and kind; using common sense and common courtesy

- 2. The classroom is a learning environment
  - a. Students are responsible for their learning
  - b. Cheating is unacceptable and will not be tolerated
  - c. Students are to be positive, active learners, contributing to the learning process in class
  - Students will help maintain a learning environment by being positive, on-task and participating
- 3. Follow all rules and procedures outlined in the student handbook.
- 4. Food, beverages or gum are not allowed in the classroom, except bottled water.
- 5. All electronic devices (cell phones, iPods, headphone/ear buds, etc....) are not allowed to be used in class.

#### Discipline Protocol:

It is the expectation that students hold themselves to high standards. The teacher will address students who are not meeting these expectations. Typical classroom behaviors consequences these are they standard progression for discipline

- a warning
- a warning with a phone call
- a Parent-teacher conference
- a referral.

Our goal is to work with families to ensure that all students have a safe and focused learning environment.

#### Tardy Protocol:

Students are expected to be in their seats when the bell rings and ready to learn. If a student is tardy to class teachers will follow this progress to rectify students being late to class.

- a warning on their first and second offense.
- the teacher will email / call home.
- Notify Attendance Interventionist and email / call home.
- On the fifth offense, the teacher will refer the student to our Attendance Interventionist, who can work with families and assign Saturday school if necessary.

The teacher has the option to provide their own lunch detention at their discretion instead of writing a conduct referral.

#### Absences:

Students who have excused absences have at least one day every day they are absent to make up the work they missed. Excessive absences can result in the loss of a credit for the course.

#### Tutoring:

Miss O'Roark is available for tutoring and assessment make-up on Wednesdays and Thursdays from 2:30-3:30 pm. Miss O'Roark may be available for brief questions before school Mondays, Wednesdays, Thursdays and Fridays.

#### Food and Drink:

There is no food or drink allowed in the classroom except water.

#### Late work

I will assign homework daily. Students who do not turn in homework will be given an "M" (indicates the assignment is missing) in Infinite Campus.

Students may turn in late homework for 75% credit until the Chapter Test. Homework can be turned in after the Chapter Test for half credit.

# **Assessments and Assignments**

Students will complete assessments during each unit of study to assess their understanding. Students will complete the CUSD Common Final at the end of the first and second semesters. The Common Final will count for 20% of the student's final semester grade in grades 9-12 and 10% in grades 7-8 (some exceptions may apply at the Junior High level). Common finals will be in ELA, Math, Science, Social Science, and World Language.

Final exams will be given during the CUSD Jr High/High School Early Dismissal days in December and May, as identified on the <u>District Calendar</u>.

If students are requested to participate in a survey, the survey questions will be provided to parents/guardians seven days before student contact.

# Grading

#### **Grade Percentage**

Α	В	С	D	F
90% - 100%	80% - 89%	70% - 79%	60% - 69%	<60%

#### **Quarter grades**

Grading Categories: Homework: 25% Quizzes: 30% Tests: 45%

#### Quizzes:

- There will be one to two quizzes per unit
- Quizzes can be corrected for ½ points
- Quizzes must be corrected before the Chapter Test.

#### Tests:

There will be a test at the end of every unit. On-level students may retake one test per quarter. A review may be recommended/required by the teacher prior to taking a Retake Test [Excludes semester exams & occasionally the last test of the semester].

#### Finals:

Finals are not given early. Absent students will receive a zero until they can take the final.

# **Semester grades**

Semester grades are calculated using 40/40/20: Each quarter accounts for 40% of the semester grade and the final exam accounts for the remaining 20%.

# **Units of study**

# **Units for MAT200A Geometry**

Chapter 1- Basics of Geometry

Chapter 2- Reasoning and Proofs

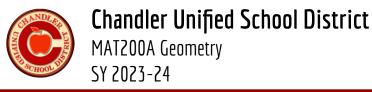

Chapter 3- Parallel and Perpendicular Lines

Chapter 4- Transformations

**Chapter 5- Congruent Triangles** 

Chapter 6- Relationships Within Triangles

\*An asterisk will indicate a unit of study containing sexually explicit materials per legislative definitions.

Teacher: Jacelyn O'Roark, oroark.jacelyn@cusd80.com

# Parent/Guardian

### Acknowledgment

Parents/Guardians should indicate if they "Acknowledge" or have a "Potential Conflict" with their student's participation in the following units by checking the appropriate box for each unit of study listed. Students cannot opt out of a standards-based unit. Marking "Potential Conflict" will prompt the teacher to make contact regarding assignment alternatives.

Unit of study	Acknowledge	Potential Conflict			
Chapter 1- Basics of Geometry					
Chapter 2- Reasoning and Proofs					
Chapter 3- Parallel and Perpendicular Lines					
Chapter 4- Transformations					
Chapter 5- Congruent Triangles					
Chapter 6- Relationships Within Triangles					
*An asterisk will indicate a unit of study containing sexually explicit materials per legislative definitions.  By signing and returning this form, the parent/guardian acknowledges they have reviewed the resources					
and units of the study included in the syllabus.					
As the parent/guardian, I understand that I may contact the teacher if I have questions about the resources, content, or units of study.					
As the parent/guardian, I understand I can check my student's graduring the school year.	ades in Infinite C	ampus anytime
