Note from your teacher

Homework Your child is bringing their homework packet home today, and it is due back on Friday. Homework is not meant to be hard, it's a review of our concepts. Please study the spelling words on the front page & read 15 minutes nightly. The kids will be tested every Friday.

Snacks Please send your child with a snack daily.

Routines & Behavior We have been working very hard establishing routines and being responsible 1st graders, following rules! This takes some time, and the kids are doing a great job so far! Don't forget to look in your child's homework for their STOPLIGHT report. This will let you know how your child is doing with behavior and following rules during the school day. Please discuss with your child his/her behavior everyday.

Have a great week!
Warmly, Mrs. Dafoe
