

Payne Jr High GIFTED NIGHT

Oct. 30, 2024
6p - 7p

The Panther Gifted Program offers a rigorous, accelerated curriculum for our 7th and 8th grade students while also promoting a supportive classroom environment. Students have the opportunity to develop problem-solving and critical thinking skills through dynamic and thought-provoking learning activities.

Principal, Lisa Palella will open the evening by greeting families. A small selection of current gifted students will speak about their classes and experiences as part of the community of gifted Payne Panthers.

Teachers:

David Giaramita - ELA
Chris Heady - Social Studies
Morgan Swanson - Science
Amanda Griffin - Math

PJHS Cafeteria

parking available on the north side of campus;
cafeteria is located next to tennis courts
