thinking, and personal growth.**

Willis Junior High

# STEAM Academy for Gifted and Talented

At Willis STEAM Academy, we believe in nurturing the unique talents and abilities of each student. Join us on a journey of academic excellence, critical thinking, and personal growth.

# Why Choose Us?

## Program Highlights

Challenging, challenging, accelerated, cross-curricular opportunity  
promotes problem solving and critical thinking  
provides extensive content rich activities  
prepares students for the Honors/AP/IB programs

## Academic Excellence

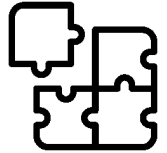

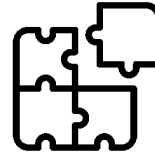

higher level math classes  
science modeling curriculum  
inquiry-based experiences that are integrated, deep, and complex  
extensive instruction in research writing

## Enriching Experiences

extended opportunities for critical thinking  
topics are covered more in-depth  
project choice to explore interests  
simulations and role playing activities  
collaborative activities

# What do we do different?

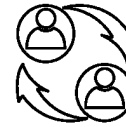

We work together to make a unique and engaging experience that is integrated between subjects.

We recognize the whole child and incorporate opportunities for student choice to highlight interests and passions!

We TEACH critical thinking skills through analysis and application using content as the foundation.

### Connected

### Individualized

### Rigorous

## Field Trips

We go to Prescott for a three-day Outdoor Education experience.

**Outdoor Education camp**

We go to Skateland for a STEM lesson and AZ Science Center

**STEM**

We go on hikes around the valley

We go to plays and music events.

**Nature and Arts**
