Dear Sir or Madam:

Basha High School is noted for its distinction in education, and since its inception in 2002 the Basha High Spiritline has also pursued excellence through the promotion of school pride and spirit, as well as, representing our school at the state and national level. Our success is due to the dedication and commitment of our parents, athletes, and highly talented coaching staff. In addition to emphasizing the importance of education and teamwork, our program standards focus on leadership, discipline, and sportsmanship. As representatives of Basha High School Spiritline members are expected to exhibit the highest character in the classroom, athletic events, and in our community as well.

Currently we are seeking sponsorship for our 2013-14 school year. With our current standing as both a State and National Championship team, we are looking to compete at a national level once again this year against the best high schools in the nation. In doing so, the expense to each of the student increases greatly. Community sponsors will help to offset these expenses thus taking some of the burden of fundraising off the team members and allowing them to remain focused on school and training. The contributions received will be used to offset the students' expenses incurred for uniforms, competition fees, lodging and transportation for competitions. Due to reduced school funding and budget cuts the need for contributions is greater than ever before.

As a primary sponsor for Basha High Spiritline your company will demonstrate its commitment and support to the local community. In addition, based on the level of the sponsorship chosen, your company will receive a variety of benefits listed on the following page. For more information on becoming a sponsor contact Danielle Lorenzo, BHS Spiritline Booster Secretary, at daniellel@cox.net or 480-703-5061.

Thank you for your consideration and support of the Basha High Spiritline. Please know any contribution is greatly appreciated and is tax deductible.

Cordially yours,

Danielle Lorenzo
BHS Spiritline Booster Secretary
