### TEACHER'S Corner

*We are well into our 4th quarter. Students should set a goal to take an AR test once a week. We continue to reserve testing from home for their 2<sup>nd</sup> grade year of AR. Read each night with and to your child. Ask questions about the story elements and check their comprehension. Sign all HW slips when ready to AR test. Send all library books back and forth to school daily.*

#### Also

*Practice math facts so students can easily move on to new math strategies.*
