

TEACHER'S Corner

The last few weeks of first grade are fastly approaching. Students should now be close to the AR goals they set for themselves. AR test should still be taken once or twice a week. We continue to reserve testing from home for their 2nd grade year of AR. Read each night with and to your child. Ask questions about the story elements and check their comprehension. Sign all HW slips when ready to AR test. Send all library books back and forth to school daily.

Also

Practice math facts so students can easily move on to new math strategies.
