

Spring

TEACHER'S CORNER

To remain consistent in our policies and practice across all grade levels, moving forward, please note that all make-up work will be given to students once they return to school (i.e., illness, vacation, sports related trips, etc.). Students will have the same number of days that they were absent to complete the work. In cases involving an extended illness of more than three days, parents should arrange with the school to have work picked up for the students and work must be requested 24 hours in advance.

As we come into the home stretch, we are running low on classroom supplies and could use a little help to finish off the year. If you would like to donate items from our classroom wish list, we would appreciate it.

Kleenex, Crayons, Dry Erase Markers, Pencils
