

TEACHER'S Corner

As the 3rd quarter comes to a close students should set a goal to take an AR test once a week. We continue to reserve testing from home for 2nd grade AR. Read each night with and to your child. Ask questions about the story elements and check their comprehension. Sign all HW slips when ready to AR test.

Also

Practice math facts so students can easily move on to new math strategies.

****Thank all of you for your support during our Scholastic Book Fair.**
