

TEACHER'S Corner

We are in our last two weeks of our school year. AR practice test ended on May 10. Students will return all library books,, or go to the parent portal to settle all library book fees. We continue to reserve testing from home for their 2nd grade year of AR. Read each night with and to your child. Ask questions about the story elements and check their comprehension. Get them reading for 2nd grade AR. For the last days of first grade continue to sign all HW slips. Send all library books back and forth to school daily.

Practice math facts so students can easily move on to new math strategies.
