

Step 1: Login to Clever

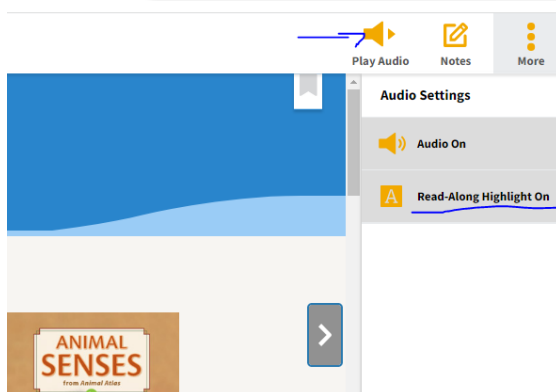

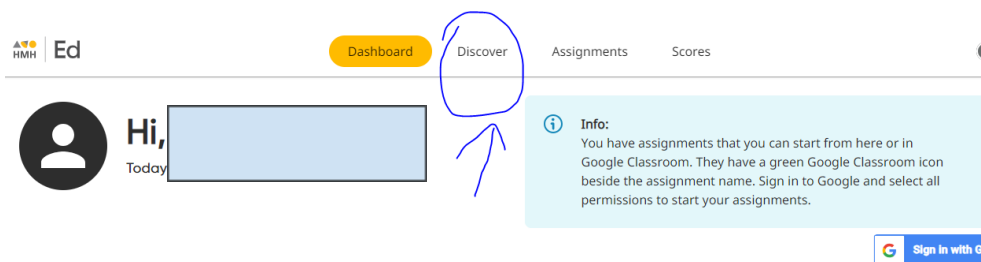

- Access through Google classroom or CUSD website
- Username: s#
- Password: whatever your student generated (ask them! 😊)

For Reading: Click on Ed icon

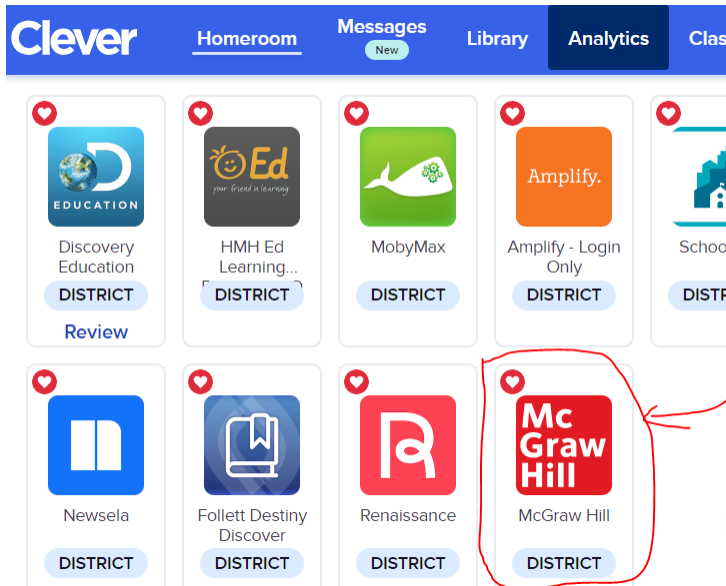

Step 3: Click on "Discover" along the top

Step 4: Pick the module and use the menu to navigate to your story!

Note: You can have the story read aloud and even turn on a "read along highlight"

For Math: Click on McGraw Hill (you may need to scroll down)

Click on "eBook"

Use the menu to navigate, and/or type in the page number at the bottom

Note available resources:
