Chandler-Gilbert Community College Dual Enrollment Registration is now open for new and returning Dual Enrollment Students. View your high school class list, at cgc.edu/dual, for dual enrollment course offerings and admissions, placement or prerequisites needed for enrollment. **To avoid a delay in processing your admissions application and next steps forms, ensure you have completed all the required prerequisites and uploaded your Identity Authentication and Residency documents in your next steps forms.**

As a **first-time dual enrollment student,** you'll need to follow these steps

1. Get admitted to Chandler-Gilbert Community College
2. Set up Duo two-factor authentication on your smart phone
3. Visit your Student Center, maricopa.edu/students, to complete first-time Next Steps Forms
4. Register for Classes
5. Pay your tuition and fees

Returning Students: If you have taken Dual Enrollment classes before, you are already in the system with an established MEID (User ID) and should be able to log into your Maricopa Student Center at maricopa.edu/dual to self-enroll.

If you are unable to self-enroll and you are certain you have completed all the required prerequisite placement tests email dualenrollment@cgc.edu with your first and last name, MEID, Course information and unofficial high school transcripts.

Last date to self-enroll in Fall 2024 classes: September 13, 2024
