# Learning Goal and Scale

*TSW be able to understand the basics of motion of an object including:*

- *Newton's Three Laws of Motion*
- *Forces*
- *Speed and Velocity*
- *Acceleration*

Scale	
4- I really know it!	I understand the information and ideas. I can connect this to my own life and other subjects beyond what I learned in class. I can teach it.
3- I know it.	I understand all the information and ideas. I feel confident in what I know and will do well on a quiz or test.
2- I know most of it.	I understand the easier parts, but don't understand some of the more difficult information or ideas.
1- I know some of it.	I need more support and help to really understand a lot of the information or ideas.
5- I don't know any of it.
