

# ESPN – 30 for 30: “The Day the Series Stopped – Earthquake!”

Name: \_\_\_\_\_

Vocabulary: Consider the terms **objective** and **subjective** from your academic vocabulary booklets.

**Differentiate** between the two words in the box below.

As you watch the video, record examples of objective and subjective information you see or hear. Focus on earthquake content and the emotional state of people (witnesses, interviewees, people filmed, etc.)

	<b>Subjective</b>	<b>Objective</b>
<b>Description:</b>	Decisions based on emotions, not facts.	Decisions based on facts, not emotions.
<b>Examples:</b> 3 examples of each.		

Make a **judgment** about whether living in the San Francisco Bay area with earthquakes or living in the East Valley (Chandler) with monsoons and flash floods is more dangerous. Be sure to explain your judgment!
