

Faults – A Review

Name: _____ Date: _____

Background:

You have 3 faults that you know about: normal, reverse, and strike-slip. You must demonstrate your knowledge of these through one of the activities below. You **MUST** do a different activity for each fault!

Possible Activities:

- Acrostic
- Drawing (with labels!)
- Song (that teaches about it!)
- Cheer (that highlights it!)
- Poem about
- Joke about
- Word square (word, definition, used in sentence, picture)
- Prediction (what's going to happen there?)
- Letter to a friend (what happens to you?)
