Invasive Species of The World

Un-Wanted Poster Assignment

Your Objective:

On one piece of 8½ X 11 paper make an un-wanted poster for an invasive species that looks like the real thing. All information must fit on one page (front only) and must be in color (4).

For a list of Invasive Species in Arizona visit the following link:

<https://www.invasivespeciesinfo.gov/unitedstates/az.shtml>

Choose one that interests you to do some research to complete an "unwanted poster" for your invasive species. You may use the template on the next page to complete your poster.

Your Un-Wanted Poster should include the following:

- Name of the Invasive Species (both common and scientific name)
- Damage caused by the invasive species (this is the crime)
- Pictures & Description
- Aliases (other names it is known as)
- Where did it come from? (Where does it live normally?)
- Where in the world is it a problem?
- Date of introduction
- Cause of introduction
- Prevention Methods (what can we do to get rid or prevent the invasion?)
- Citation – Titles of websites and url address used

You may visit the following sites (or do your own internet search) for your research:
