

The Moon

**Create a bulleted list of
everything you know about
the moon!**

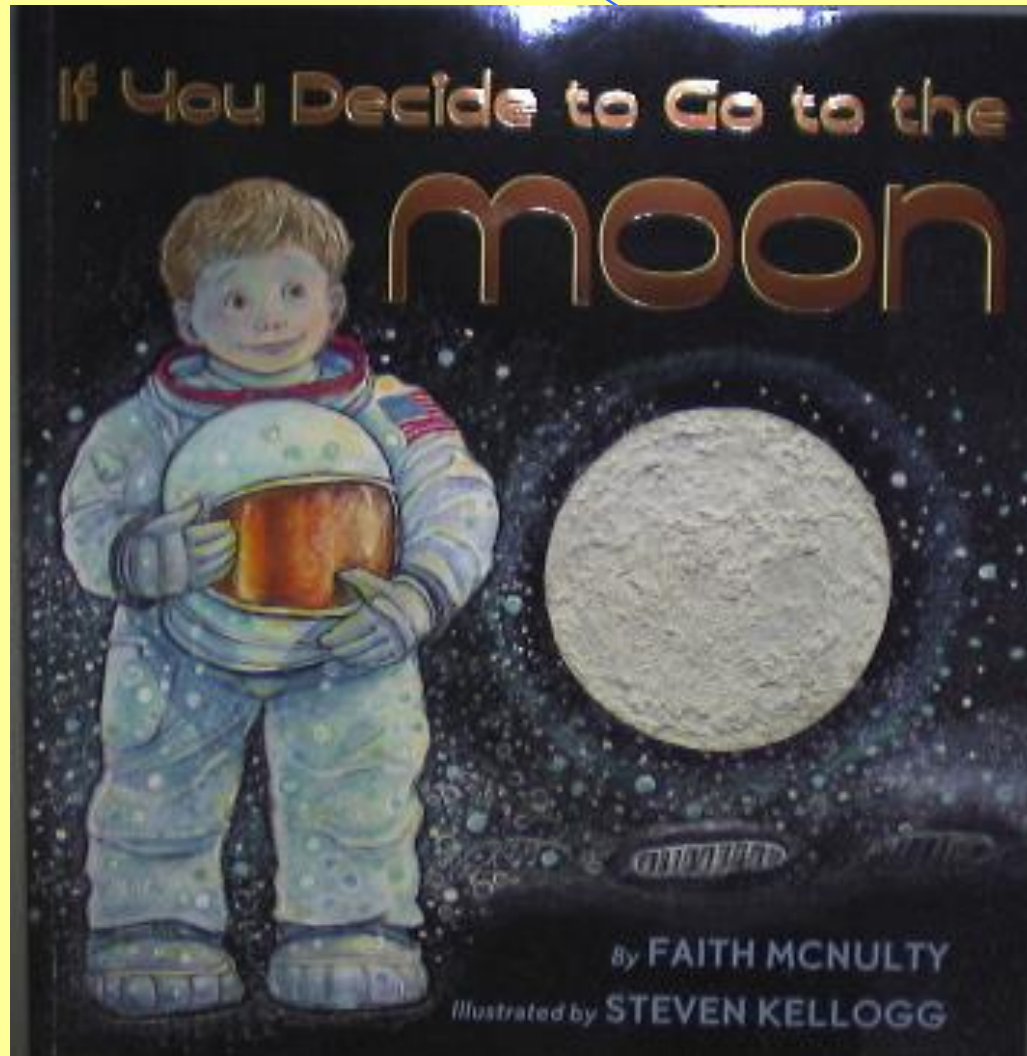

If given the opportunity, would you want to go to the moon?

A. YES! That would be really cool.

B. NO! Why would anyone want to go to the moon?

C. Go to the moon? Really?
We can DO that???

If You Decide to Go to the Moon

As you listen to the story, reflect on it! Create a chart like this:

What I knew

What I thought I
knew but was
wrong

What I am
confused about!

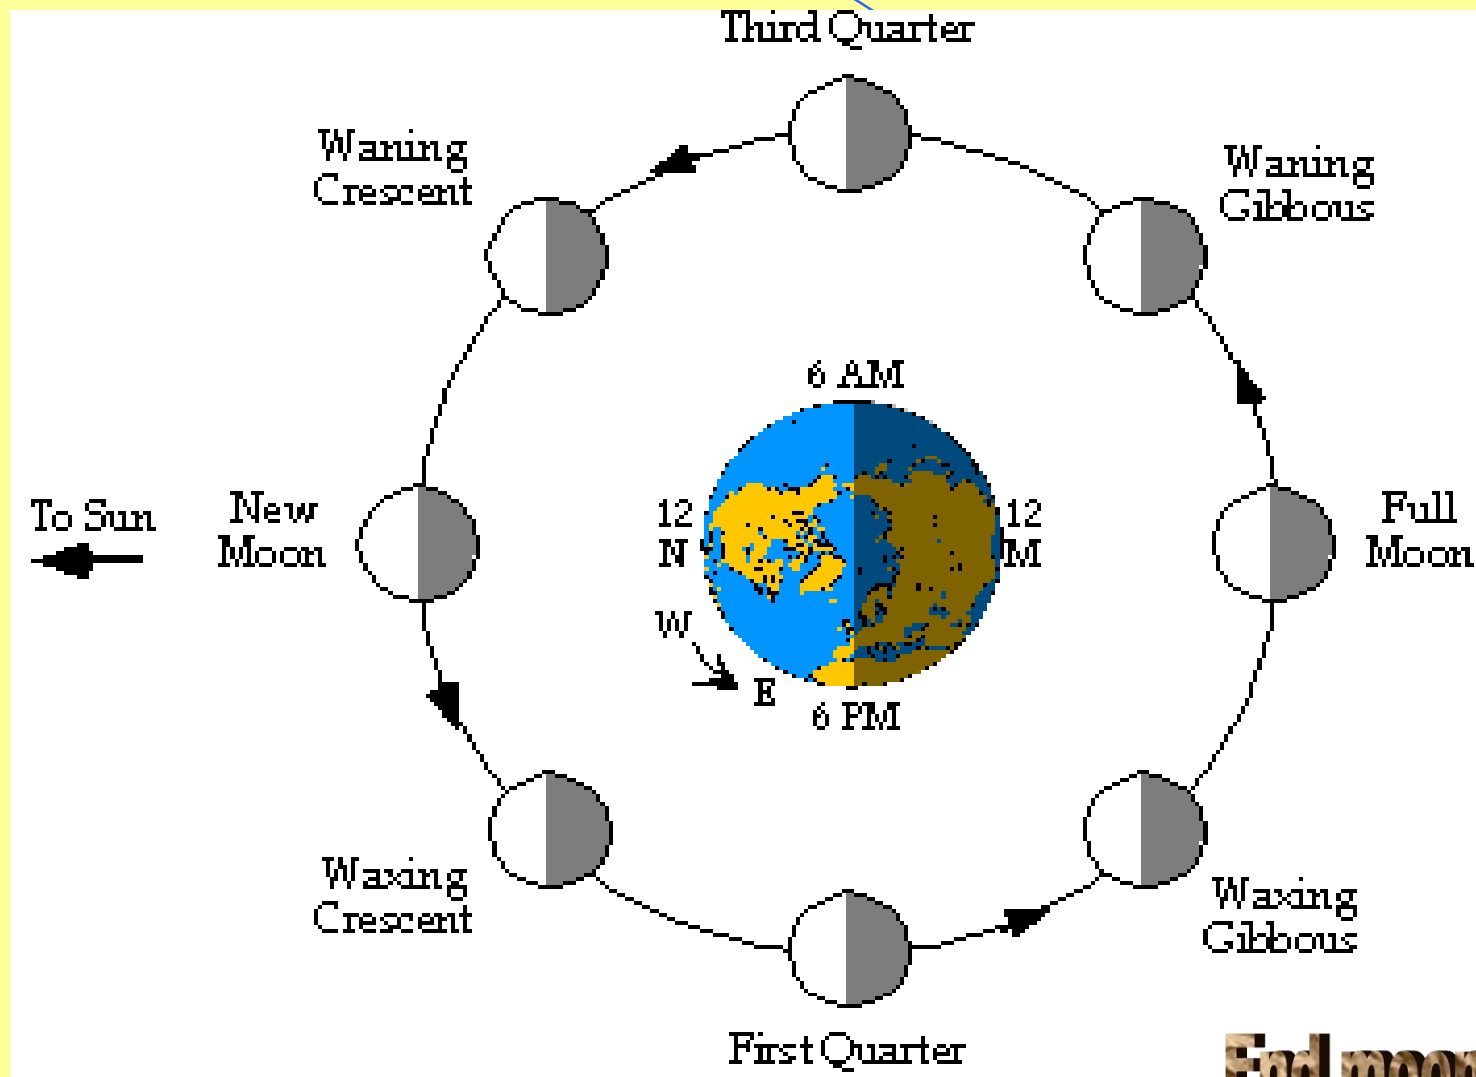

The effects of the Moon

- **Phases of the moon**
- **Eclipses**
- **Tides**

Why does the moon have phases?

- The changing relative positions of the moon, Earth, and sun cause the phases of the moon!
