

Phases of the Moon Review Pamphlet Directions

1) Hold the paper with the printed side DOWN and fold along the SOLID line.

2) Cut along each DASHED line. Your paper should look like the one displayed on the front table!

3) DRAW and COLOR the Earth's view of a NEW MOON in the TOP circle on the LEFT.

4) On the BACK of the picture, record the name of the phase of the moon.

5) On the INSIDE of your pamphlet, record two facts about this phase.

****Check the teacher's copy for accuracy before you go on!

6) Repeat for all eight phases IN ORDER!
