Meaning of word	Expert/ Clear Mastery: I totally get it. I KNOW that you know this word!	Practitioner/ General Mastery: I can see you understand the basics of this word, but you could've done a bit more to convince me!	Apprentice/ Progress towards mastery: I get it. I'm pretty sure that you know this word.	Novice/ Difficulty with Mastery: I kind of get it. But, I'm not convinced that you know this word!	Struggler/ Lack of Mastery: I'm really struggling to see that you understand this term. ☹
Neatness & Creativity	Outstanding Work: Wonderfully executed. Can read everything very clearly. It is obvious you put in effort!	Above Average Work: 7 th grade work. A little more effort, time, coloring, etc. would have been nice.	Satisfactory Work: Neat, but could use a little more polishing.	Below Average Work: Does not appear to be the work of a 7 th grader. Work is sloppy and illegible; artwork is rushed.	Unsatisfactory Work: Not only does this not look like the work of a 7 th grader, but it doesn't even look like a kindergartener did this! ☹
