A Little Bit About Me

I grew up in Illinois and I am a Midwesterner at heart! I have always known that I wanted to be a teacher! Playing school was my favorite thing to do when I was a kid. My family and I moved from Illinois in 2014 and we love living in sunny Arizona. My husband and I have 3 kids. Jacob is a freshman, Abby is in 6th grade, and Lilah is in 1st grade. We are a very busy family, and on the weekends you will likely find us on a sports field. In my free time, I love being outdoors, reading, spending time with family and friends, and being active.

Educational Background

I graduated from Millikin University with degrees in psychology and elementary education. I began teaching in 2005 and while teaching, I attended Illinois State University for graduate school and earned a Master of Science in Curriculum and Instruction.

I love teaching and learning, and I hope to encourage my students to be lifelong learners.
