WELCOME TO 7TH GRADE! 2021-2022

Mrs. Clark, Ms. Ellery, Mrs. Foster, and Ms. Jacobs

Bogle Junior High places students into teams where a group of students share the same teachers for their core classes. The team concept allows the teachers to work together to meet the needs of students. It also helps students to make connections with their peers and provides important support as they make the transition to junior high.

Being Successful in 7th Grade

Here are some things that can help a student be successful in the coming year:

- **Stay organized.** Organization is an executive function that should be practiced on a regular basis. Organize backpacks weekly. Make sure that papers are in the proper place and that all assignments have been turned in. Take out items that are no longer needed.
- **Ask for help.** Learning how to talk to teachers is an important skill. Ask questions in class or send an email. Teachers may not know a student are struggling unless they say something.
- **Attend tutoring.** Each teacher holds a day of tutoring each week. If a student needs academic assistance, to retake or make-up an assignment, or to make-up work acquired from absences, please attend tutoring.
Check "Infinite Campus". Infinite Campus is a website that gives parents and students access to current grades. Check grades often!
- **Stay caught up!** It is important to be at school on time, every day, and to keep up with assigned work. The more assignments that are missed, the harder it is to earn good grades.

Your teachers are here to help, but your success is up to you!

Tutoring and Homework Hub

Students may attend a tutoring session for one of the following reasons: to receive academic assistance, to retake or to make-up an assessment, or to make-up work acquired from absences in content areas. Tutoring occurs Monday-Thursday, with each teacher meeting on a different day. Other times are available by appointment only.

If a student needs a place to do HOMEWORK, please go to Homework Hub which meets in the Media Center in the mornings before school (Monday-Thursday) or after school (Monday-Thursday). An after-school bus is available Monday-Thursday, unless specifically cancelled.

Students will need to know their addresses and major cross streets if they need to ride the bus.

DAY	TEACHER	SUBJECT
Monday	Ms. Ellery	Math
Tuesday	Ms. Jacobs	Social Studies
Wednesday	Mrs. Clark	Science
Thursday	Mrs. Foster	Language Arts

The Agenda

A student agenda is provided to students by the school for use as an organizational tool by the students. **It is also the primary way that teachers communicate with parents about missing or incomplete work.**

Please check your child's agenda weekly. **A parent signature will be required every Thursday night indicating that the agenda was reviewed with the student.**

Google Classroom

Each of the teachers on our team enters daily assignments in Goggle Classroom. **Google Classroom is updated daily and includes information about each day's activities as well as access to worksheets and notes pages that can be downloaded and printed by students.** This service is being provided so that a student who is absent for any reason can easily access class resources.

Use of Technology Information

Cell phones, smart watches, and other types of electronic devices must be turned off and in the student's backpack at all times during the school day unless given direct permission by a teacher. Using technology during class without permission may result in that technology being sent to the office. Technology that is sent to the office will need to be picked up by an adult by the end of the school day.

Teacher Contact Information

We are excited to have you on our team and are looking forward to working with you to have a successful school year. Please contact us if you have any questions or concerns.

Students will need a supply of the following items for use in ALL core classes throughout the year:

- Pencils** *(Only pencil is allowed for all written assignments, so get lots of these!)*
- Erasers**
- Pens** *(Any color BUT black)*
- Highlighters** *(Four colors)*
- Scotch Tape**
- Pencil Pouch** *(Must fit inside a backpack)*
- Kleenex** *(For personal use)*

***Please no Trapper-Keepers or Spiral-Bound notebooks!**

The following items are generally available to borrow from the teacher in class, but having your own set is recommended if you are able to do so.

Colored Pencils or Crayons Ruler Scissors Glue

Please let one of your teachers know if you need help getting any of the basic supplies.

Donations "Wish List"

Please consider donating boxes of Kleenex and Pencils to Mrs. Clark's room 306. Any material donations will be distributed evenly among the team. Thank you for your generosity!

Teachers will contact you during the year by using the e-mail in Infinite Campus.

Please be aware that communication from the school and your child's teachers will be directed to the e-mail address(es) that you have listed on Infinite Campus.

When prompted at the beginning of the school year, adults of the primary address household will need to enter all information even if the information has not changed (i.e. address, phone, emails). After this initial entry, any updated information must be submitted through the school registrar.

When do we eat? Our team has "A Lunch", which is the first of three possible lunch periods. Students may want to bring a sack lunch for the first few days of school, if possible, because the lines to buy food are really long due to students not being familiar with how to order/pay quickly.
