CHANDLER UNIFIED SCHOOL DISTRICT

September 2020

Dear Parent or Guardian:

In the event that you were not able to attend our annual Title I Parent Meeting on September 24th, this letter is to inform you of the services being offered by Shumway Leadership Academy as part of the 2020-2021 Chandler Unified School District Compensatory Education Program.

Shumway qualifies as a school-wide Title I program (funding may be used to help benefit all Shumway students). As a Title I school, our school receives additional funding through a federal grant to the district in order to help all students meet Arizona’s academic standards.

Our Title I services are supplemental to the educational services the state expects the school to provide. At our school, educational services are provided through: highly effective classroom instruction, a Reading Specialist, and a positive behavior support and intervention person. Title I also supports technology, intervention programs, parent workshops, and educational resources needed to maintain these programs and personnel. Our goal is to become partners with you to help your child be more successful in his/her classroom, attain grade-level proficiency and improve his/her achievement in both basic and advanced skills.

_____ Elementary School Title I Funding provides the following: Specialists, Instructional Support Staff, Intervention, Leadership and Support Programs:
