WELCOME BACK!!!

WELCOME to the sixth grade and the 2023-2024 school year. The summer sure did go by quickly and I am excited about starting our new year! I believe that what happens in this classroom will affect your child's future. Your child's time here will be well spent. He or she may even come home exhausted from all the thinking done during the day. I will make every minute count.

We have a fantastic group of children in this class. I am looking forward to a terrific year ahead. With your help, we can make it happen. Please take a few minutes to share infor-

mation regarding your child by note, email or phone as soon as possible, so that together we can support your child's efforts.

Please remember . . .
