

# MEET THE teacher

hello!

I am Kim Dougherty. I am so excited to be teaching 4th grade this year! Fourth grade is awesome with so many wonderful learning activities to celebrate throughout the year.

My goal is to create a classroom that is engaging, fosters inquiry and wonder, and will also prepare our students for fifth grade.

By working together, I believe we can create a classroom community that provides your child with wonderful educational experiences.

## about me

This is my sixth year teaching at Andersen. My husband Tim and I moved to Arizona from Illinois. We are both lifelong educators, love working with kids, and have taught a combined 77 years... and we are still going strong!

## favorite things

- ♥ I LOVE to read, shop, design, & travel
- ♥ Starbucks & Target, Heath Bars, Reeses, Gardettos, Iced tea & Mt. Dew
- ♥ Chips, Salsa & Guacamole
- ♥ I LOVE watching Football with my husband
