

Audiology

The district audiologist provides audiological services for deaf and hard of hearing students in the CUSD program. The audiologist is responsible for the provision of appropriate FM assistive technology and works closely with the special education teachers from the Deaf/Hard of Hearing department to provide professional development for staff members on audiological issues and hearing loss.

FM System Demonstrations

Below are two videos that demonstrate the impact of a hearing loss in a classroom and the benefits of utilizing FM systems.
