# TRANSCRIPT REVIEW

- ▶ **Term GPA** is your semester GPA vs. Cumulative GPA-all semesters combined– Weighted/Unweighted
- ▶ **Cumulative credit** (all semester credit combined)-should be at least 18 credits at beginning of senior year
- ▶ **Letter grade**- affects GPA
- ▶ **Pass/Fail**- does not affect GPA
- ▶ **Repeated courses**- once you pass a course with a higher grade the original class will have the weight zeroed out so that it no longer affects your GPA. The lower grade remains visible on the transcript, but the weight is removed.
- ▶ **GPA: Unweighted**- used for in state college admission. Weighted- may be used for scholarships and certain colleges for admission. Reflects the honors and AP/IB courses being weighed heavier than on-level courses.
- ▶ **No Class Rank Reported in CUSD**- students are recognized under the Cum Laude system and that will be explained on a later slide.
